REMINDER

Your lesson schedule continues throughout the summer at MLC!

In order to maintain consistent

progress when learning to play a musical instrument or improve vocal skills, it is very important to continue learning & practicing year-round. The Music Learning Center makes it easy for parents and students to continue their lessons during the summer and yet still have the flexibility to work around any vacation plans made in advance, or even on shorter notice.

See our [Frequently Asked Questions](#) for more information.

Bring a Friend Week

Bring A Friend Week gives MLC students a chance to share their love of making music with a friend. Students are proud to show what they have accomplished in their music lessons and at home practicing. Playing for friends and displaying how they are learning music can help to reinforce their commitment to lessons. Plus, it's fun!

MLC students may invite one friend to their lesson during **Bring A Friend Week**.

Participating MLC students and their friend will receive a few small prizes, plus ... **they will be entered in a drawing for a chance to each win a ukulele and share a ukulele lesson together at our Danbury studio!**

Sign up online [HERE](#) - or by submitting a BAFW flier-signup form that is available from your teacher or the MLC office.

The sign-up deadline is Wednesday, June 19th!

Did you know that our Bands & Ensembles will perform during the Spring Recitals? They are great!

If you are interested in joining one of our **Rock Bands, Jazz Combos or Chamber Ensembles** please contact the office today for more information. Our bands and ensembles are a great way to enhance a student's weekly private lessons. The Rock Band will perform at our Spring Recital on June 23rd. Please **Email the MLC office** for schedule and tuition details.
