REMINDER

Your lesson schedule continues throughout the summer at MLC!

In order to maintain consistent progress when learning to play a musical instrument or improve vocal skills, it is very important to continue learning & practicing year-round. The Music Learning Center makes it easy for parents and students to continue their lessons during the summer and yet still have the flexibility to work around any vacation plans made in advance, or even on shorter notice. See our [Frequently Asked Questions](#) for more information.
